THE FRANKFORT BASE BALL CLUB

Who were the undefeated Champions last season in Central Kentucky, and who, this season, will be members of the Blue Grass League.

BASE BALL

The Central Kentucky League Formed Sunday at Versailles.

At a meeting of base ball managers of Central Kentucky, held last Sunday afternoon, at Versailles, the Blue Grass League of base ball clubs was formed to be composed of the following clubs: Frankfort, Lexington, Versailles, Shelbyville, Lawrenceburg and Richmond. Another meeting is to be held tomorrow afternoon at the Frankfort Hotel, at which a schedule

for the season is to be arranged and a forfeit of \$200 from each club is to be posted. The offer of John A. Spinney, of Cincinnati, to donate a pennant has been accepted. It was agreed that Frankfort should have a game at home every Sunday and on all of the holidays.

The base ball men present representing the six cities of the league were as follows:

Frankfort—W. J. Kennedy and Gilum Nell.
 Lexington—Warren Fieber and Thomas Sheets.

Versailles—Fleming Meek.
 Shelbyville—Carl Long and M. J. Brown.

Lawrenceburg—Harry Crane, Buell Searcy, W. M. Young and A. C. Bond. Richmond—M. C. Kellogg.

It is thought that M. J. Brown, of Shelbyville, will be elected president of the Bluegrass League of Kentucky at a meeting to be held at the Frankfort Hotel, Sunday.

A schedule will be adopted and playing dates so arranged as to give each club Sunday and holiday games. It is thought that this compact circuit will result in cutting down expenses so that the new league will prosper. Central Kentucky is ripe for a new league, and the success of the project is practically assured from the start.

DOG LAW.

A Substitute for Croan's Dog Tax Law, Reported Favorably.

The sub-committee from the House Committee on Agriculture and Committee, on Revenue and Taxation, to which was referred the numerous bills repealing and amending the dog tax law, unanimously agreed on a substitute bill, which will be reported to the House with the expression of opinion that it should pass. It provides that each head of a family shall be allowed one dog, without the payment of any tax, and for each additional dog a fifty-cent tax shall be paid, instead of the present \$1 tax on each dog. It is also provided that the tax shall be paid into the county treasury, and, after all sheep indemnities are paid, the remainder shall be used for public school or road purposes, as the Fiscal Court may determine. The members of the "Dog Committee" believe the substitute bill will playmate all factions.
